CARNIVAL CRUISE LINE'S
SECURITY GUIDE & PORT DIRECTORY

The following information is provided to you in accordance with the 2010 Cruise Vessel Security and Safety Act.

To report a medical emergency, missing person or criminal activity, please dial 911 immediately or contact the Guest Services Desk, extension 7777.

Carnival Cruise Line's Security Department is responsible for responding to alleged crimes and missing persons and can also be contacted directly at any time by dialing 911 or thru the Guest Services Desk. It is important that guests immediately report missing persons and criminal activity so responding Carnival personnel can secure necessary information and take timely action.

Carnival has zero tolerance for crime on board its vessels. Federal law requires Carnival to report onboard felonies involving US citizens, and any missing US citizen, to federal agencies on any cruises embarking or disembarking in the United States, whether the incident occurs in US territorial waters, on the high seas or in foreign waters. Missing US citizens and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of $10,000) must be reported to the F.B.I. by telephone as soon as possible, to the US Department of Homeland Security electronically, and to the US Coast Guard in writing. Additionally, all CCTV recordings will be retained for a period of 20 days; video which the FBI determines is relevant will be retained for four years from the date the incident occurred. The retained video will be provided to the FBI upon request.

The F.B.I can assert criminal jurisdiction in all these circumstances. Each of the countries visited and the ship's country of registry, may also assert jurisdiction/and or impose additional reporting requirements. Carnival reserves the right to report any/all criminal allegations to any national, state/local law enforcement agency in addition to those mentioned.

For missing persons or felonies arising at any time during the cruise, you may independently contact the F.B.I. or US Coast Guard. For incidents within state, foreign waters or ports, you may also contact local law enforcement authorities. Contact information for these entities and the National Sexual Assault Hotline 1-800-656-4673 and other third-party victim advocacy services are listed on the following page, along with the locations of US Embassies and Consulates in the ports visited.
